We are aware of the various requirements that apply to imported alcohol beverages. All applicable taxes and duties will be paid on the imported products. Any Country of Origin markings will be indicated in English. Each individual container will bear a label stating, "Sample Only - Not for Sale" or similar phrase. Likewise, each individual container will bear a label with the government health warning statement mandated by law. The product will also contain a "Contains Sulfites" label.

We also attest that the products indicated in this letter will comply with the above requirements prior to the product arriving at the U.S. port of entry and understand that the approval of this waiver is dependent on compliance with these obligations.

If the waiver is granted, please email a copy to Magda Rodriguez at magda@oleimports.com. Should you have any questions, please contact us at (914) 740 4724
