Joss Van Aard arrived in the Azores at the end of the 15th century. Invited by Joss Van Hurtere (Utra), the Captain of the island. The *Aards* became one of the most important families in the island, with some of the best plots reaching the sea, at the 1st Jeirões. This small plot was sold by the family in 1923, planted by the Cardozos in 1924 and now the responsibility was passed on to our hands. This bottle shares that legacy!
