Mata Cream Sherry

Blast from the past! Mata Cream Sherry was an iconic Spanish brand in the 19th century, lovingly revived for wine lovers of today. This pleasantly sweet and savory Sherry is produced from Palomino grapes grown in estate vineyards in Jerez, Spain.

This region is home to the white chalk Albariza soil, optimum for growing Palomino grapes and producing the most highly renowned wines in the world. Mata Cream Sherry originates from this rare terroir. There are two important benefits from this brilliant white Albariza soil; the impressive high water-retention nourishes the vines during intensely hot & dry summers, and its reflective nature created by high chalk content aids in photosynthesis.

WHAT MAKES THIS WINE UNIQUE?: This wine combines Oloroso sherry and concentrated rectified must, resulting in a fortified wine with oxidative aging and a deep mahogany color.
