

OLÉ & OBRIGADO

WINE & SPIRITS WITH HEART & SOUL

Ransom DHOS Bittersweet

OLÉ & OBRIGADO DIRECT-EXCLUSIVE NON-ALCOHOLIC SPIRIT ONLY AVAILABLE IN NY —

DH?S emerged from Ransom Spirits' commitment to innovation and craftsmanship. With a rich history of shaping the American craft spirits movement, Ransom Spirits has always embraced a hands-on, 'low tech' approach, crafting renowned products like Old Tom Gin and award-winning vermouth.

Inspired by their dedication to quality, DH?S was developed to offer the craft cocktail experience without the alcohol. This line of non-alcoholic spirits combines Ransom's expertise with a focus on delivering genuine flavors and aromas, filling a market gap for premium, alcohol-free alternatives. DH?S provides the depth and mixability of classic craft spirits, allowing for sophisticated cocktails on one's own terms.

WHAT MAKES THIS WINE UNIQUE?: DH?S Bittersweet captures the essence of traditional bitter liqueurs, delivering a complex and layered flavor experience. The bold bitterness of rhubarb is complemented by the caramelized sweetness of brulée oranges, while earthy notes of cinchona and gentian root add depth to its balanced profile. Crafted with care, DH?S Bittersweet is sugar-free and contains just 5 calories per serving, making it the perfect choice for a guilt-free, flavorful drink. Its flavor profile is reminiscent of Aperol, offering a familiar yet unique taste.

VINIFICATION AND AGING: The DH?S production process blends ingredients rather than removing alcohol, ensuring a true craft experience. Drawing on their expertise in wines and spirits, natural botanicals like citrus and spices are used to create a quality non-alcoholic product. Each small batch is handcrafted at the distillery with the same care as their whiskey and barrel-aged gin. The three-step mixing process is rigorously monitored for quality, followed by aging and microbial stability testing. Filtration is skipped to preserve the full flavor and aroma in the final product.

TASTING NOTES This spirit is a symphony of exotic and floral notes, with hints of baked oranges, watermelon, dried strawberries, kumquat, and ripe yellow cherries, all coming together to create a wild and intricate flavor profile. The spice notes blend fresh vanilla bean, bitter roots, green herbs, and crushed field flowers, resulting in a smooth, silky texture that balances richness with a spiced finish of rhubarb, cinchona, vanilla, herbs, and burnt citrus oil.

ALCOHOL CONTENT: Non Alcoholic
